

THE PIED PIPER'S
WHOLE GIMMICK IS USING
SONIC FREQUENCIES TO
CONTROL RATS.

IT GROSSES
ME OUT JUST
THINKING
ABOUT IT.

SHOO--
OFF MY
STUFF

IT'S
NOT LIKE
PISTONS JUST
TUNING ONE
FREQUENCY...

HE'S USING
HUNDREDS.

IF I COULD
HEAR HIS SIGNAL
I SHOULD
BE ABLE TO TRACE

OR
I COULD TRY
ELSE.
